

PROTOKOL

of the 15th Meeting of COOMET TC 1.6 “Mass and related quantities”

September 21-34, 2010, SC “Ukrmetrteststandart”, Kiev, Ukraine

LIST OF PARTICIPANTS OF THE MEETING

Belarus	Eugenie Galat	BelGIM
Germany	Falk Tigmaer	PTB
	Wladimir Sabuga	PTB
Georgia	Irma Rurua	GEOSTM
	Irakli Maglaperidze	GEOSTM
Kazakhstan	Chingiz Kuanbaev	KazInMetr
	Mejertas Gamanbalin	KazInMetr
Kyrgyzstan	Ekaterina Kotova	CSM at Ministry of Economic Development
Moldova	Zinaida Melnik	NISM
	Marina Varvas	CSM
Russia	Edward Aslanyan	VNIIFTRI
	Borys Uriev	VNIIFTRI
	Natalia Domostroeva	VNIIM
	Yuiriy Kiselev	VNIIM
	Victor Snegov	VNIIM
	Alexander Ostrivnoj	VNIIM
Ukraine	Victor Rimer	Ukrmetrteststandart
	Georgij Leonov	Ukrmetrteststandart
	Alexander Samojlenko	Ukrmetrteststandart
	Vladimir Gavrilkin	Ukrmetrteststandart
	Andrej Demchenko	NSC “IM”
	Irina Kolozinskaja	

1. Opening of the Meeting, adoption of the Program, introduction of the participants of the Meeting

The Meeting was opened by the Chairperson of the COOMET Technical Committee “Mass and related quantities” (TC 1.6) Dr. Natalia Domostroeva, VNIIM, St.Petersburg (Russian Federation). She mentioned the importance of conducting such arrangements, thanked the TC Members and the guests of the Meeting for their having found time and opportunity to take part in it and the direction of Ukrmetrteststandart for organizing in an excellent way and providing the holding of the Meeting, expressed her assurance in the constructive work of the Meeting.

The Director of scientific-industrial institute of metrological assurance of geometrical, mechanical and vibroacoustic measurements of Ukrmetrteststandart Alexander Samojlenko addressed with a welcoming speech to the participants of the Meeting. He informed the TC Members and the guests of the Meeting about the activity of Ukrmetrteststandart and wished the Meeting successfully work.

The Chairperson of TC 1.6 introduced the Members of the Technical Committee and the guests of the Meeting. She drew attention to the fact that 23 representatives of 8 TC 1.6 Member-Countries: Belarus (BelGim), Germany (PTB), Kazakhstan (KazInMetr), Kyrgyzstan (CSM), Moldova (NISM), Georgia (GEOSTM) Russia (VNIIM, VNIIFTRI), Ukraine (Ukrmetrteststandart, NSC “Institute of Metrology”) took part in the Meeting.

After presentation of participants of the Meeting the coordination of questions of the agenda of Meeting has been held. The following agenda has been accepted:

1. Short reports of TC 1.6 members– participants of the Meeting:

All TC Members gave short reports on the infrastructure, system of metrological assurance and pressing problems of metrological activity in the field of Mass, Hardness, Density, Viscosity, Force and Pressure measurements in COOMET member-countries they represent.

2. Report of the Chairpersons of the Technical Committee on the work done between the 09.2009- 09.2010

3. Report of the Chairpersons of SC

- SC 1.6.1 «Mass» - V.S. Snegov, VNIIM, Russian Federation;
- SC «Force» - G.I. Leonov, Ukraina;
- SC 1.6.3 «Pressure» -Y.A. Kiselev, VNIIM, Russian Federation;
- SC1.6.4 «Hardness» - E.G. Aslanyan, VNIIFTRI, Russian Federation;
- SC1.6.5 «Viscosity, Density» - N.G. Domostroevea, Russian Federation;

4. Impression, agreement and claim reports (Draft A) on themes:

- 258/RU/04 COOMET M.M-K2 «Key comparisons of multiples and submultiples of kilogram», Snegov V.S.

-259/RU/02 COOMET M.F-K1 «Comparisons in the force field», Ostrivnoy A.F.

5. Information on the progress of work on COOMET Projects

-331/LT/05 COOMET M.P-K2 «International key comparisons in the field of pressure in liquid measurement in the range (1-100) MPa»; Kiselev. Y.A., VNIIM;

- 341/RU/05 COOMET M.H-K1, COOMET.M.H-K2 «"Key comparison of national standards in the Brinell and Vickers scales", E. Aslanyan, VNIIFTRI.

- 444/DE/08 COOMET M.P-K14 «Key comparison of national standards in the range 100 Pa-5 kPa of gauge pressure »; Zabuga V., PTB

6. Consideration of COOMET themes, proposed the participants of the Meeting

In connection with offers of members TC1.6 the decision to prepare the demand for key comparison in the field of mass measurements in a range from 200 mg to 2 kg is accepted.

7. Consideration of the work regarding the expertise of CMC tables NMI.

8. Consideration of the work regarding the expertise of CMC tables NMI. Consideration of the draft of CMC lines NMI.

9. Changes in organizational structure TC1.6.

It is offered to select as the deputy chairperson TC1.6. Kolozinsky Irina Aleksandrovnu. Have confirmed unanimously.

10. Discussion of the question about the place and data 15 Meeting TC1.6

11. Resolution of the 14th Meeting of COOMET TC 1.6 "Mass and related quantities"

Following the developmental work and discussion of the issues set in the Program of the 15th Meeting of TC 1.6 its participants adopted the corresponding Resolution

Chairperson of the TC1.6

N.G. Domostroeva
